

The "Sedona"

1911 Sq. Ft.

CVE Builders

The "Sedona" features 1911 square feet of living space. Enter into the grand foyer and your home office is just steps away. Follow the flow right into your majestic great room will vaulted ceilings and skylights. The kitchen and dining room open right into the great room for an entertaining family's perfect space. This home has a main floor master suite and main level laundry room. Follow the stairway up into the upper level where you are greeted with a stunning loft that looks over your main level living area. There is a homework/study area with built in cabinets and desks for the kids to have a private area to keep studies up. 2 more bedrooms and a full bath complete the upper level. This is truly a family friendly home.
