

The "Sierra"

1750 Sq. Ft.

CVE Builders

The "Sierra" features 1750 square feet of living space. 4 Generous bedrooms and 2 full baths upstairs are suited well for growing family needs. The master closet and bath areas are a "must see". An open stair way leads down to the main level of the home where you will find soaring ceilings and immense natural sunlight coming from the excellent use of windows. Upon first sight, you will see what all your friends will be talking about, the kitchen is fit for a royal family. The cabinet space, the massive countertop space, and the 10' wide window make this a kitchen you will never want to leave. The laundry room is located on the main floor, just off the kitchen area. .
